

OAK NOUVEAU GREIGE

The lightly smoked, grey-stain found on this single-strip oak floor from the Classic Nouveau Collection enhance the earth undertones and balance the natural contrasts in the wood. Knots and cracks lightly pepper the boards, adding subtle depth to the floor's elegant expression. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Four-sided micro-bevelling at the edges ensures a classic full plank look and feel. The matt lacquer finish eliminates glare while protecting the wood from daily wear.
