

OAK TERRA

This single-strip oak floor from the Lux Collection features saturated earth tones highlighted by a rich smoke finish, which accentuates the naturally occurring blemishes in the timber. Four-sided micro-bevelling at the edging ensures a classic fullplank look and feel. Each board is carefully brushed to perfection, bringing out the darker nuances in the grain for a timeless, rustic expression. The ultra-matt lacquer finish enhances the natural variations in the wood, creating the impression of newly sawn timber. This effectively eliminates glare while protecting the floor from daily wear.
